SITUATION REPORT #77

1600 Hours Monday, January 23, 2012
Next SITREP 1600 Hours Tuesday, January 24, 2012

SUMMARY

Gov. Bob McDonnell declared a State of Emergency for Virginia August 26, in response to the 5.8 magnitude Louisa County earthquake August 23. Several thousand residents and dozens of businesses and other entities reported damage. Louisa County High School and Thomas Jefferson Elementary School suffered major damage.

The U.S. Geodetic Survey reported that 54 aftershocks with a magnitude greater than 2.0 had struck the area, four of them since January 13:

- 2.5 magnitude, 4:03 p.m. January 18, 6 miles southwest of Mineral.
- 2.0 magnitude, 9:20 a.m. January 18, 8 miles south of Louisa.
- 2.5 magnitude, 8:08 a.m., January 18, 5 miles southwest of Mineral.
- 2.3 magnitude, 6:18 p.m., January 13, 9 miles south-southwest of Mineral.

FEMA announced a Presidential Major Declaration for Individual Assistance November 4 for Louisa County and added Public Assistance November 10. Later, Spotsylvania County and the city of Fredericksburg were declared for Public Assistance. An expanded outreach program, extensive site visits and inspections turned up large numbers of structures with significant damage that had previously gone undetected or unreported.

On December 28, FEMA approved requests for federal assistance for seven jurisdictions affected by the earthquake: Culpeper County, Individual and Public Assistance; Fluvanna, Goochland and Orange counties, Individual Assistance; Northampton County, Public Assistance; and Spotsylvania County and the city of Fredericksburg, Individual Assistance.

The Earthquake Engineering Research Institute (EERI) has analyzed the seismological cause of the quake and the type and extent of damages. The report, which noted major differences between East Coast and West Coast quakes, looked at the limited ability of the region to deal with the impact of even a moderate earthquake on evacuation, communication and transportation. FEMA granted a 60-day extension of the teleregistration period until March 5 because of the steady high volume of teleregistrations and the number of individuals visiting the Disaster Recovery Center in Louisa. The volume of registrations and visits reflected an intensive Community Relations initiative.

In today’s IA report, 5,284 individuals from 61 Virginia jurisdictions had called the FEMA teleregistration number to report earthquake damages. All of the 24 new registrants were from the declared jurisdictions.

Of the 4,684 referrals from declared localities, 3,464, or 74 percent, have been approved for financial assistance totaling \$9.3 million. Thirteen recipients are eligible for the maximum Individual and Households Program grant of \$31,400.

Disaster Recovery Center

Of 3,087 visitors to both locations, 1,359, or 44 percent, registered for disaster assistance; 2,613 were referred to Housing Assistance, 1,243 to SBA for home or business loans, 1,531 to Hazard Mitigation, and 1,277 to volunteer assistance organizations.

Community Relations

Community Relations teams are canvassing the six newly declared jurisdictions to provide information to the public on the availability of Individual Assistance.

Since they began their canvass January 5, the teams have visited 1,897 residences, 642 businesses, 234 faith-based and community organizations, 31 local agencies and 6 schools.

Community Outreach

Three town hall meetings have been scheduled in Culpeper, Goochland and Fluvanna counties to give residents and businesses an opportunity to learn more about disaster assistance programs. The sessions will include brief presentations on Individual Assistance, the Small Business Administration disaster loan program, hazard mitigation and historic preservation. Visitors will have an opportunity to clarify any questions they have with the program representatives.

The schedule:

- **Culpeper: January 24, 7 - 9 p.m., 14240 Achievement Drive, Culpeper County High School, Culpeper, Va., 22701**
- **Goochland: January 26, 7 - 9 p.m., Board of Supervisors Room, 1800 Sandy Hook Road, Goochland, Va., 23063**
- **Fluvanna: February 1, 7 - 9 p.m., Carysbrook Performing Arts Center, 8880 James Madison Highway, Fork Union, VA 23055**

Public Assistance

The governor announced November 10 that FEMA had approved a Major Disaster Declaration for Public Assistance for Louisa County requested by the Commonwealth October 21. FEMA designated Spotsylvania County November 18 as an add-on for Public Assistance. On December 6, FEMA added the city of Fredericksburg as eligible for Public Assistance. On December 28, Culpeper and Northampton counties were added. As the extent of significant amounts of infrastructure and private structural damage became apparent, VDEM and FEMA sent out additional joint assessment teams to quantify it in surrounding jurisdictions. Verification of damages for both Individual and Public Assistance requests in undesignated localities was completed December 22.

**Summary of Public Assistance Activity
FEMA 4042 (As of 1/23/12)**

PA Requests	16	Project Worksheets	
Ineligible/Withdrawn	0	Estimated Total	58
Exit Briefs	2	Received	28
Open	14	Pending Obligated	17
Kickoff Meetings	11	Obligated	0
Total Completed	2	\$ Dispersed	\$0

Twenty-nine percent of the Project Worksheets, or 17 out of 58, are approved and awaiting funding. Forty-eight percent of the applications have been submitted and are awaiting approval.

The Project Worksheet to repair the heavily damaged Thomas Jefferson

Elementary School has been completed and is under review. The worksheet would cover the uninsured portion of the damages incurred from the earthquake.

Mitigation

Home and business owners may be eligible for assistance to strengthen their structures against future earthquakes similar to the August 23 Louisa event. Three mitigation options are available: rebuild or replace an existing structure; retrofit an entire structure or incrementally retrofit key components. Some steps can be accomplished during scheduled maintenance such as roof or structural wall repair. Virginia building codes set standards for basic building integrity but may need to be strengthened in light of the Louisa event. Information kits are available through the two Disaster Recovery Center and FEM/VDEM Mitigation booths at three disaster area Lowe’s stores.

PROGRAM REPORTS

Joint Incident Priorities:

1. Determine resource needs to support recovery operations.
2. Ensure a safe and healthy working environment.
3. Work together as a cohesive team.
4. Provide a timely and effective Hazard Mitigation program.

Joint Incident Objectives:

1. Conduct Individual Assistance Operations and assess unmet survivor needs in newly designated localities.
2. Reach out to disability community to provide survivors needed services.

3. Implement Public Assistance program for newly designated counties through kick-off meetings and applicant briefings.
4. Support Disaster Recovery Center operations in Louisa and Spotsylvania Counties.
5. Inform potential applicants of need to register through effective outreach effort.
6. Coordinate Mitigation, Historic Preservation and Environmental activities.
7. Integrate volunteer agencies into the IA relief process.
8. Conduct an effective outreach strategy to manage expectations of applicants, local officials and Virginia delegation.
